

Hand- Maidens

St. Nicholas

Orthodox Church

“I am the Handmaiden of the Lord, let it be to me as you have said.” *The Most Holy Virgin Mary to the Angel Gabriel at the Annunciation.*

PURPOSE

As a special part of our parish life, we organize the young women so that they can participate in ringing the bells, making and serving Holy Bread, tending the candles, decorating the Feastal Icons with flowers, and other needs that arise.

SPECIAL FEASTS

During the Entry of the Theotokos into the Temple, the Handmaidens participate in a Procession and are blessed with a special prayer for young women.

Also around this Feast we host a Tea Party to show them how much we love and appreciate them and to encourage them in their service.
