

Coffee Hour

St. Nicholas
Orthodox Church

Thank you for serving in God's house, which we
strive to maintain accordingly at all times!

PURPOSE

- More than a cup of coffee, an extension of the Liturgy, a **party**, an offering of **love** provided by the volunteer hosts to help make this beautiful time possible.
- An extended family and a chance to meet new people, deepen relationships, **connect**, and often relieve isolation.

PREPARATION

- Make sure **coffee** pots are clean by running 1 pot of water through the coffeemaker; then put grounds in filter, ready for use.
- Put out **plates**, cups, napkins, cutlery, etc.
- Make sure there is **sugar**, sugar substitute, creamer, stirrers, etc., by the coffeemaker.
- Give yourself enough time to **set up** so that there's no need to miss any of the Liturgy.
- If there's still work to be done, the time **following communion** is most appropriate.

POST-SCRIPT

- Leave everything **left looking nicer** than when you found it. Pack out, or throw away, what you pack in please.
- Check **Tablecloths** for crumbs, stains, etc. If there are only crumbs, please take them outside and shake them off. If they need it, please take them home to wash & return.
- Sweep **Floors**, if needed, both the kitchen and the hallways.
- Please double check that our children, parents, and teachers have cleaned **Sunday School rooms**.
